## DISPLAYED GRAPHIC

## TRANSCRIPT

**Narrator:** The Result Graphing popup window opens and you're presented with various options to control how the graph is displayed. The Result Format, Chart Type, Chart Style, 3D View, Show Labels and Date Style are prefilled with default selections.

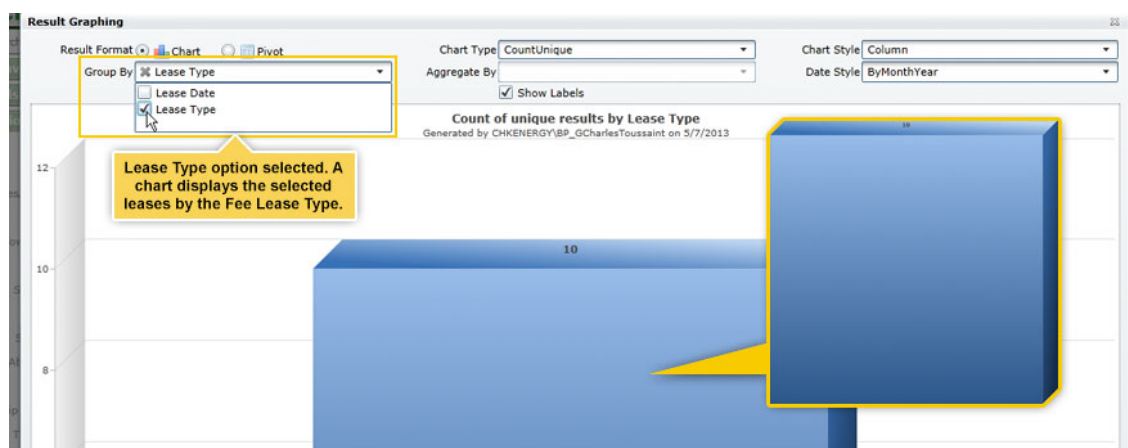

**Narrator:** Let's graph the selected leases by grouping them by Lease Type. No changes will be made to the other graphing options; they will remain at their default selections. Click the small arrow to the right, in the Group By dropdown list. The Group By dropdown list expands.
