TRANSCRIPT

The screenshot shows the CHKSearch web application with the 'Map' tab selected. A search form is overlaid on the left side of a map of Oklahoma. The form has the following fields: State (dropdown menu set to OKLAHOMA), County (dropdown menu set to ROGER MILLS), Parcel ID (text input), Parcel Owner (text input), Sect (text input), Twp (text input), and Rng (text input). A yellow callout box points to the County dropdown menu with the text 'ROGER MILLS is displayed.' The map in the background shows the state of Oklahoma with county boundaries and labels for neighboring states: BRITISH COLUMBIA, ALBERTA, SASKATCHEWAN, MANITOBA, WASHINGTON, MONTANA, NORTH DAKOTA, and MINNESOTA.

Narrator: Select ROGER MILLS. ROGER MILLS is displayed.

This screenshot is similar to the first one, but the 'Twp' field in the search form now contains the number '15'. The 'County' dropdown menu remains set to 'ROGER MILLS'. The map and other form fields are unchanged.

Narrator: Type a number in the Township (T-w-p) field.

This screenshot is similar to the previous ones, but the 'Rng' field in the search form now contains the number '24'. The 'County' dropdown menu remains set to 'ROGER MILLS' and the 'Twp' field remains set to '15'. The map and other form fields are unchanged.

Narrator: Type a number in the Range (R-n-g) field.

TRANSCRIPT

The data grid will expand with the results. You can also hit the "Enter" key on your keyboard, instead of the Search button.

OBJECTID	SECT	TWP	TDIR	RNG	RDIR	MERIDIAN	COUNTYNAME	STATENAME
3821203	3	15	N	24	W	17	ROGER MILLS	OKLAHOMA
3820833	15	15	N	24	W	17	ROGER MILLS	OKLAHOMA
3820834	11	15	N	24	W	17	ROGER MILLS	OKLAHOMA
3821234	35	15	N	24	W	17	ROGER MILLS	OKLAHOMA
3821210	23	15	N	24	W	17	ROGER MILLS	OKLAHOMA

Narrator: Once the search criteria have been filled in click the Search button. The data grid will expand with the results. You can also hit the Enter key on your keyboard, instead of the Search button.

The map will zoom in to that record.
